

## Cookie Policy for Marque Renewal

Marque Renewal, our online trademark renewal portal uses cookies. We use cookies to improve the visitor's experience by personalizing content, tracking interaction and analyzing our web traffic. If you continue to use our portal, you have to accept the Cookie Policy that we offer. However, you can change or withdraw your consent from the Cookie Policy on our online portal at any moment.

### What are Cookies?

Cookies are small text files that are used by websites and web portals, and are downloaded to your computer, to improve a user's experience by making it more efficient. According to the law, we can store cookies on your device if they are uncompromisingly necessary for the operation of our portal and for all other types of cookies, we must need your permission.

For more general information on cookies, you can visit the Wikipedia article on HTTP Cookies.

### The Cookies We Set

Our portal uses different types of cookies like account related cookies, login related cookies, forms related cookies, to name a few. In some special cases, cookies are placed by the third - party services that appear on our web pages. These types of cookies are an essential component as they allow a user to navigate through our online portal, display the correct page for the device the user is using, and verify the details of a user while instructing us online. If you wish to opt out of these cookies, you will have to change the settings on your browser's 'Cookie Preferences'. However, if you decide to block these cookies then our online portal may not work.

We may update this policy from time-to-time. If we make any significant and noteworthy changes, we will inform you about them. We recommend you to check this policy regularly to stay aware of the most updated version.
